

Miller Bucks Product Registration

Instructions

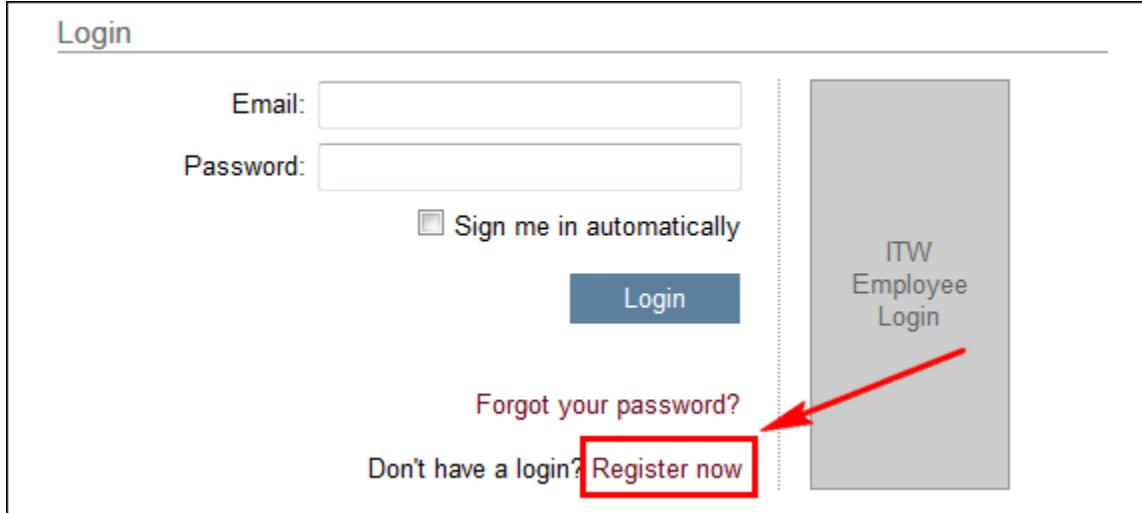

Getting Started

Before you can register products and start earning Miller Bucks, you will need an account to access the Miller Extranet.

Go to MillerWelds.com and click “Partner Login”, or go directly to <https://partners.itwwelds.com> (notice the “https”).

Click the link that says “Register Now”

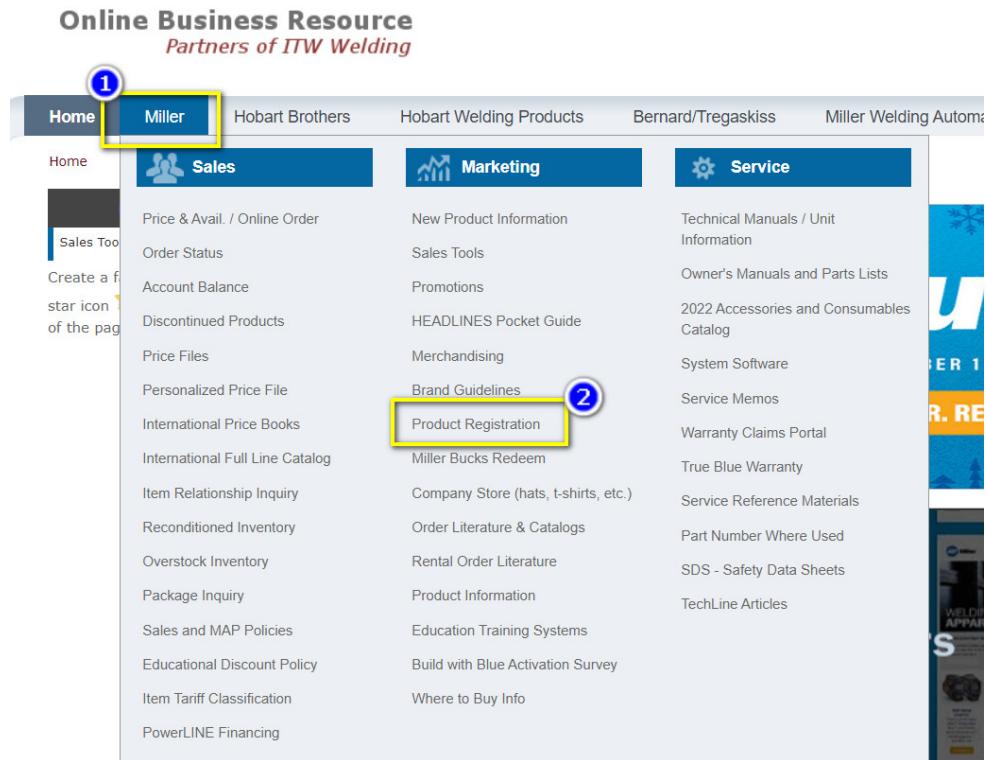

Or call (888) 489-3787.

Once your account is set up, return to the Extranet using the instructions above, enter your email and password, then click Login.

The First Time You Access Miller Bucks

To locate the Miller Bucks Product Registration entry forms the first time, after logging in to the Extranet go to:

Miller -> Marketing -> Miller Bucks -> Product Registration

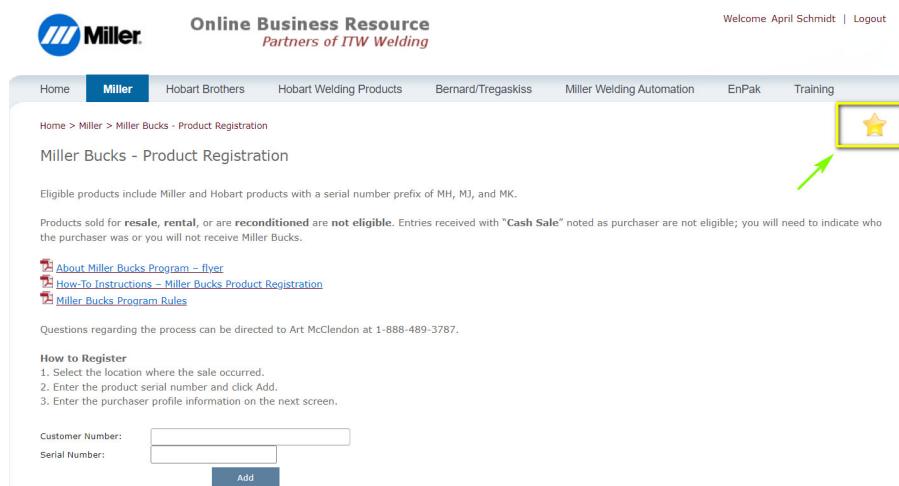

The screenshot shows the 'Online Business Resource' homepage with a 'Partners of ITW Welding' banner. A yellow box highlights the 'Miller' tab in the top navigation bar. A yellow star icon is placed on the page, with a callout pointing to the 'Miller' tab. A yellow box highlights the 'Product Registration' link in the 'Sales' section of the main content area. A blue circle with the number '2' is placed over the 'Product Registration' link.

Create a link in “My Favorites”

Once you reach the page with the heading “Miller Bucks – Product Registration”, you can save it as a favorite so that it’s easy to find next time you log in.

Click the yellow star at the top right

The screenshot shows the 'Miller Bucks - Product Registration' page. At the top right, there is a yellow star icon inside a yellow box, with a green arrow pointing to it. The page includes a navigation bar with 'Miller' highlighted, and a sidebar with links like 'About Miller Bucks Program - flyer', 'How-To Instructions - Miller Bucks Product Registration', and 'Miller Bucks Program Rules'.

Next time you log in, you will see “My Favorite Tools” on the left of the home page. Click on “Miller Bucks – Product Registration” and you will be taken directly to the entry form.

Entering a Product Registration

Before you begin, you will need the following information:

- Location where the sale occurred
- Product serial number(s)
- Date of purchase
- Purchaser profile information: Name, Company (if a business purchase), address, phone, industry, and email address (if known)

To register a product for an end user customer, use the Favorites link you created in the previous step to go to the Miller Bucks – Product Reg page.

Confirm your Customer Number, or select from the drop-down list.

Enter the Serial Number of the first product, and click “Add”. The stock number and description will appear below.

You can enter as many serial numbers as you like, as long as all of them are for equipment sold to the same customer on the same day. When you have entered all the serial numbers related to this purchase, click "Next" to proceed to the next screen.

Fill in the details for the purchaser. Required fields are marked with an asterisk: *

Notes:

Fill in the purchaser's zip code to see options for City.

If the product has been purchased for business use, a Company Name is required.

Choose the Industry that most closely describes this customer, or select "Other" and enter another option.
